VOLUMEVAMP

VolumeVamp Shampoo enriched with *Lavender*, *Patchouli* and *Green Tea*, VolumeVamp Shampoo will lift and revitalize fine hair. By injecting a boost of natural emollients derived from Coconut, the hair will be energized and full of life. With a very mild cleansing agent, it is gentle enough to be used on natural, fine and chemically treated hair, on a daily basis.

VolumeVamp Conditioner contains *Vitamins*, *Lavender* and *Patchouli* to naturally nourish and strengthen individual hair strands. *Camellia Oleifera Seed* provides anti-oxidant properties and further enhances body, manageability and shine.

MOISTUREMAX

MoistureMax Shampoo is enriched with *Aniseed* and *Basil* and is the ultimate detox for your hair. The intense conditioning properties of *Sea Moss* detoxify and smooth the hair for optimum control. It is suitable for all hair types lacking moisture.

MoistureMax Conditioner contains softening agents that impart tremendous sheen. Anti-aging protectors maintain the internal structure, prolonging longevity of colour treated hair. The abundance of moisturiser derived from the *Guar Tree* delivers the essential amount of nourishment for healthy, shiny hair. Contains *Aniseed*, *Basil* and *Sea Moss*.

MANETAME

ManeTame Shampoo uses *Buchu Leaf Oil* to nourish dry hair and provide essential conditioning agents for improved manageability. This mild, plant derived cleansing shampoo contains *Violet*, *Palmarosa* and *Immortelle Oils* and is especially suitable for sensitive scalps.

ManeTame Conditioner contains specially selected aromatic essential oils - *Violet*, *Palmarosa*, *Buchu Leaf* and *Immortelle* - to soothe, calm and strengthen treated hair. With four added conditioning agents, the hair and scalp are left feeling revived and full of life.

SMOOTHSEAL

SmoothSeal Shampoo is superb for all hair types needing gentle persuasion. Delivering a healthy dose of *Lavender*, *Ylang Ylang* and *Ginseng Root*, the hair is focused on healing, smoothing and promoting soft control. Ideal for naturally dry, unruly or chemically treated hair.

SmoothSeal Conditioner delivers the ultimate balance of essential oils - (*Lavender* and *Ylang Ylang*), *Vitamin B5* and *Ginseng Root*. These combine to deliver the necessary amount of moisture to smooth over the hair shaft and seal in nutrients. The hair is left feeling alive with intense lustre.
